

# 2018 Back to School Drive

*For children who have been victimized by sex trafficking*

**June 18, 2018 thru July 16, 2018**

As our survivors move towards healing and thriving, the tangible support of community members can make all the difference in providing survivors with a foundation for success. To celebrate their accomplishments as survivors of child sex trafficking, and support them in their journey, we are asking for your help for the upcoming school year!
