## INDEPENDENT AUDITOR'S REPORT

---

**To the Board of Directors  
Georgia Care Connection Office, Inc. d/b/a Georgia Cares  
Atlanta, GA**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of **Georgia Care Connection Office, Inc. d/b/a Georgia Cares** (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

---

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Georgia Care Connection Office, Inc. d/b/a Georgia Cares as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 15, 2016, on our consideration of Georgia Care Connection Office, Inc. d/b/a Georgia Cares' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Georgia Care Connection Office, Inc. d/b/a Georgia Cares' internal control over financial reporting and compliance.

# GEORGIA CARE CONNECTION OFFICE, INC. D/B/A GEORGIA CARES

## NOTES TO FINANCIAL STATEMENTS

---

### NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Georgia Care Connection Office, Inc. d/b/a Georgia Cares (the “Organization”) was created as an initiative of the Governor's Office for Children and Families in 2009. The Organization is a state coordinating agency connecting services and support for child victims of sex trafficking and exploitation. In 2013, the Organization became a 501(c)(3) entity in hopes of growing the capacity to serve victims through public-private partnerships.

#### **Basis of accounting**

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

#### **Basis of presentation**

The Organization presents its financial statements in accordance with the Financial Accounting Standards Board's *Financial Statements of Not-for-Profit Organizations*. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. The Organization had no temporarily or permanently restricted net assets at June 30, 2015 and 2014.

The guidance for *Accounting for Contributions Received and Contributions Made* requires that unconditional promises to give be recorded as receivables and revenues and to distinguish between contributions received for each net asset category. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. Temporarily restricted net assets received and spent in the same fiscal year are classified as unrestricted net assets. When a temporary restriction expires, the related temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

#### **Use of estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Cash and cash equivalents**

The Organization considers all highly liquid investments with an initial maturity of three months or less when purchased to be cash equivalents. The Organization had no cash equivalents at June 30, 2015 and 2014.

Cash balances are maintained with financial institutions which are insured by the Federal Deposit Insurance Corporation. Balances exceed insured amounts from time to time. Management does not feel that the Organization is exposed to any significant credit risk on these accounts.

## NOTES TO FINANCIAL STATEMENTS

---

### **NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

#### **Accounts and grants receivable**

Accounts and grants receivable represent amounts due for program services and from grantors. On an ongoing basis, the Organization considers a need for an allowance based on management's evaluation of potential uncollectible amounts. Management considers the receivables recorded at June 30, 2015 and 2014 to be fully collectible.

#### **Property and equipment**

Property and equipment are recorded at historical cost or at fair market value at the date of gift, if donated. Depreciation is recognized based on the straight-line method over estimated useful lives ranging from 3 to 5 years. Major expenditures for improvements, which substantially increase useful lives, are capitalized. Maintenance, repairs, and minor renewals are expensed in the year incurred. Depreciation expense for each of the years ended June 30, 2015 and 2014 was \$351.

#### **Contributions**

Contributions, including unconditional promises to give, are recognized in revenue in the period the promise is made. Conditional promises to give are not recognized until the conditions on which they depend are substantially met.

Contributed and discounted services are recorded by the Organization when these services create or enhance financial assets or require specialized skills, and are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

The Organization receives donated services from a variety of unpaid volunteers who assist the Organization in providing services. A substantial number of volunteers donated significant amounts of their time to the Organization's program services. No amounts have been reflected in the statement of activities for these services because the criteria for recognition of such volunteer efforts have not been satisfied.

#### **Income taxes**

The Organization qualifies as a charitable organization as defined by Internal Revenue Code Section 501(c)(3), and accordingly is exempt from federal income taxes.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Organization to report information regarding its exposure to various tax positions taken by the Organization. Management believes that the Organization has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Management is not aware of any circumstances or transactions that would jeopardize its tax exempt status.

All tax exempt entities are subject to review and audit by federal, state and other applicable agencies. Such agencies may review the taxability of unrelated business income, or the qualification of the tax-exempt entity under the Internal Revenue Code and applicable state statutes. There currently are no audits of the Organization's returns in progress.

## NOTES TO FINANCIAL STATEMENTS

---

### **NOTE 2. LEASES**

The Organization entered into a new office lease that began on May 8, 2014 continuing through May 31, 2017. Rent expense on this lease and the prior lease for the years ended June 30, 2015 and 2014 was \$41,381 and \$36,126, respectively. Future minimum lease payments over the remaining term of the lease are as follows:

2016	\$ 42,855
2017	<u>40,521</u>
	<u>\$ 83,376</u>

### **NOTE 3. MAJOR SOURCES OF REVENUE**

The Organization is economically dependent upon grants from federal and state sources for funding of program and operational expenses. For the years ended June 30, 2015 and 2014, approximately 94% and 91%, respectively, of the Organization's total support and revenue was received under federal and state grants. The Organization is subject to possible examinations by the federal and state agencies to determine compliance with terms, conditions, laws, and regulations governing the grants given to the Organization.

### **NOTE 4. FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

### **NOTE 5. SUBSEQUENT EVENTS**

The Organization has evaluated subsequent events through January 15, 2016, the date that the financial statements were available to be issued.

**NOTE TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**YEAR ENDED JUNE 30, 2015**

---

**NOTE 1.** The accompanying schedule of expenditures of federal awards includes the federal grant activity of Georgia Care Connection Office, Inc. d/b/a Georgia Cares and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

---

**To the Board of Directors  
Georgia Care Connection Office, Inc. d/b/a Georgia Cares  
Atlanta, GA**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Georgia Care Connection Office, Inc. d/b/a Georgia Cares (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 15, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Georgia Care Connection Office, Inc. d/b/a Georgia Cares' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Georgia Care Connection Office, Inc. d/b/a Georgia Cares' internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

---

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Georgia Care Connection Office, Inc. d/b/a Georgia Cares' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Mauldin & Jenkins, LLC

Atlanta, Georgia  
January 15, 2016

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

---

**To the Board of Directors**  
**Georgia Care Connection Office, Inc. d/b/a Georgia Cares**  
**Atlanta, GA**

### **Report on Compliance for Each Major Federal Program**

We have audited Georgia Care Connection Office, Inc. d/b/a Georgia Cares' compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Georgia Care Connection Office, Inc. d/b/a Georgia Cares' major federal programs for the year ended June 30, 2015. Georgia Care Connection Office, Inc. d/b/a Georgia Cares' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### ***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Georgia Care Connection Office, Inc. d/b/a Georgia Cares' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Georgia Care Connection Office, Inc. d/b/a Georgia Cares' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Georgia Care Connection Office, Inc. d/b/a Georgia Cares' compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, Georgia Care Connection Office, Inc. d/b/a Georgia Cares complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

---

## Report on Internal Control Over Compliance

Management of Georgia Care Connection Office, Inc. d/b/a Georgia Cares is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Georgia Care Connection Office, Inc. d/b/a Georgia Cares' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Georgia Care Connection Office, Inc. d/b/a Georgia Cares' internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
